Your Philanthropic Quest

accelerating your most significant contribution this year

Where you've been – and what you're made of

What you aspire to

Story of you as a CMS

What was a highpoint in your contributing?

_____

_____

Conditions

What made that highpoint possible? Especially what you brought?

_____

_____

_____

Core

What underlies these conditions and gives you life when you're most *you* … without which you wouldn't be the contributing member of society you are?

_____

_____

What would success look like – your compelling picture?

Society: What kind of world do you want?

_____

What tailwinds does the world offer to get there?

_____

_____

_____

Organization: Your dream for what the cause/organization could look like -- to make your contribution more possible to create the kind of world you want?

_____

Self: What is the title of your next book?

_____

Self: What is your compelling picture of your future (including the contribution you want to make)?

_____

_____

The bedrock that proves the above is possible: Where you've been and what you're made of (look to "core" at left)

Your Message

What is the statement you want to make about why you are so invested in society

_____

_____

_____

Why do you want this?

_____

_____
